

Niels Frederik Malskær – Senior Energy Advisor,
Energy

Organisation: Ministry of Foreign Affairs, Royal
Danish Embassy in Warsaw.

Education

Niels holds a Masters of Arts in International
Relations from the University of Kent, which he
received in 2013.

Experience

Niels Frederik Malskær is a Danish national. He received his Bachelor of Science (B.Sc.) in International Relations and International History from Aberystwyth University in 2011. In 2013 he achieved his master's degree in International Relations and from the University of Kent.

Niels Malskær is an experienced energy advisor. His core areas of expertise are, Danish experiences with offshore wind, and the green heating transition. At the Royal Danish Embassy in Warsaw, Niels' role involves strengthening Polish-Danish Energy cooperation.

In April 2016 he began as the Junior Commercial Advisor at The Danish Embassy in Washington D.C. In January 2018 he took the position of Commercial Advisor at the Danish Embassy in Washington D.C. From October 2018 until December 2021, he held the position of Energy Advisor at the Danish Energy Agency. In December 2021, Niels Malskær stepped into his current role of Senior Energy Advisor at Royal Danish Embassy in Warsaw
